WHAT WILL HAPPEN IF IT STARTS RAINING?

This is the most asked question and I completely understand the concern of couples. The only thing that is out of their hands during the planning process is the weather. But is this something to be worried about? Absolutely not! Together with you and your wedding planner, we always look out for aesthetic backup locations in case it starts raining on the big day.

From my experience, I know that on the day of the wedding, almost everything can be adapted to a new situation. Having a backup plan helps a lot too. In essence, a few grey clouds after a rain shower can conjure up a very romantic and magical mood. In addition, having a post-wedding photo session also offers us a great opportunity to capture pictures according to your dream wedding aesthetics.

06

HOW MANY PICTURES CAN WE EXPECT AND WILL YOU EDIT THEM?

As a wedding photographer, I want to capture pictures that embody the true essence of your big day. This is the main reason why I put all of my energy, and sensitivity to create a bespoke experience for my lovely couples. Starting from discussing your requirements and plans for the main day to photography process including post-processing and special retouching – I make sure to provide you with my undivided attention.

The general rule of thumb is to expect a turnaround time of almost 6 to 8 weeks. This may vary depending on the size and season of your wedding festivities. On average, 50 to 60 pictures are clicked per hour on the wedding day. After taking the pictures, I make a qualitative selection of your images, finalizing them for special touch-ups. Blurred and shaky shots are excluded. The final touchup includes adjustment of lightening and contrast and alignment of your pictures with special attention to natural retouching. You will receive your images in high resolution in digital jpg format.

THANK YOU
kindly FOR
your INQUIRY

Thank you for your trust and unwavering support in considering me to accompany you on your iconic wedding day.

I want your wedding pictures to be as unique, enchanting, and authentic as you are. I wish to create picture-perfect content for you to cherish for years to come. I would be very happy to schedule a meeting with you via video call or see you in person to discuss your dream wedding vision, ideas, and wishes.

Please don't hesitate to reach out to me in case of any queries or suggestions regarding this pricing guide or your wedding day.
